Re: KNMB (FM), Cloudcroft, New Mexico
Facility Identification Number: 87766
MTD, Inc.
Special Temporary Authorization
BESTA-20151103BAY

Dear Licensee:

This is in reference to the request filed November 3, 2015, on behalf of MTD, Inc. ("MTD"). MTD requests an extension of the modified special temporary authority ("STA") granted on November 13, 2014 (BSTA-20141103ADR), to operate Station KNMB with 1.0 kW of power from the tower of KIDX (FM), Ruidoso, NM.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Our review indicates that the licensee has been prevented from restoring licensed operation due to causes beyond its control, and that it has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of STA IS HEREBY GRANTED. Station KNMB may continue to operate with the following facilities:

Geographic coordinates:	33° 24' 14" N, 105° 46' 56" W (NAD 1927)
Channel	244 (96.7 MHz)
Effective radiated power:	1 kilowatt (H&V)
Antenna height:	
above ground:	27 meters
above mean sea level:	3294 meters
above average terrain:	869 meters

MTD must use whatever means are necessary to protect workers and the public from radiofrequency exposure in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires on **May 19, 2016**.

Sincerely,

Dale Bickel
Senior Engineer
